

Signature Hardware

designer bathtubs by CLAWFOOT SUPPLY

Let Signature Hardware help you restore your 19th century Victorian to its original glory. As your hometown source for period-style decor, we are proud to offer traditional fixtures that will beautify both your home and your neighborhood. Designer clawfoot tubs, reproduction sinks, antique-style brass faucets, historically-reproduced entry sets, decorative floor registers, and grand chandeliers are just some of the pieces available from our extensive collection. Come and see these items and more at our designer showroom, located in Erlanger.
