## BRONZE BATH

Clawfoot Supply of Erlanger puts a lot of clawfoot classics and antique-style reproductions in luxe bathrooms, but it may have topped itself with its latest addition – the Bronze Bath line. The tubs are 93 percent virgin copper, hand-polished and buffed beauties with a golden-hued finish. The Ottoman Imperial slipper style, on massive lions' feet, allows the bather to recline on an ergonomic back rest; the Byzantine Royal is a two-seater with a level lip and a broad plinth base. They start at \$29,500. 1379 Jamike Drive. (877) 682-4192; [www.clawfootsupply.com](http://www.clawfootsupply.com).
