

Manufacturer's Warranty

Thank you for purchasing a quality Nottingham Brass copper tub with nickel lining. Each tub is warranted to be free of defects in both material and workmanship for a period of 5 years from date of purchase. In the unlikely event that your tub has a defect, the manufacturer will either repair or replace the tub at their discretion.

The warranty applies to normal use of the bathtub and to the original buyer only. Damages caused by cleaning, maintenance, or installation are the sole responsibility of the purchaser, and are not covered under the manufacturer's warranty. The warranty does not extend to labor charges when repair or replacement of the item is needed.
