Hand-polished finish

Patina applied using French hot process, so color is ingrained in the copper

Copper tubs are handmade and therefore unique. Expect slight variations in finish and dimensions ( $\pm 1"$ )

Requires wall or floor-mount tub filler

Tubs are available with or without an overflow

Air tub option: features 12 air jets that massage and relax

Remote control works within 15-foot radius and is designed to float. Tub and air system come fully assembled

To keep the tub in premium condition, it is recommended to not use anything abrasive for bathing or cleaning, including products like Epsom salts, bristle brushes, and harsh soaps

Overflow option: includes Extended Pop-Up Drain with Swivel Head. Choose a Standard or Daisy Wheel overflow, which remain open to allow water into the drain, or the Press-and-Seal overflow, which can be closed for additional water depth.
